DECISION AWARDING DAMAGES¹

Dorsey, Chief Special Master:

On November 17, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that she suffered Guillain-Barré Syndrome (“GBS”) after receiving the influenza vaccine on October 24, 2014. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On June 29, 2017, a ruling on entitlement was issued, finding petitioner entitled to compensation for her injury. On June 30, 2017, respondent filed a proffer on award of compensation (“Proffer”) indicating petitioner should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached to the Proffer at Tab A. Proffer at 1. In the Proffer, respondent represented that petitioner agrees with the proffered award. Based on the record as a whole, the undersigned finds that petitioner is entitled to an award as stated in the Proffer.

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Pursuant to the terms stated in the attached Proffer, **the undersigned awards the following compensation:**

1. **A lump sum payment of \$313,393.96, representing** compensation for life care expenses expected to be incurred in the first year after judgment (\$35,411.65), compensation for actual and anticipated lost earnings (\$87,982.31), and compensation for actual and projected pain and suffering (\$190,000.00, **in the form of a check payable to petitioner, Dawnita Noble.**
2. **A lump sum payment of \$456.55,** representing compensation for the satisfaction of the Sunflower Health Plan Medicaid lien, **payable jointly to petitioner, Dawnita Noble, and**

3. **An amount sufficient to purchase an annuity contract subject to the conditions described in the Proffer to provide payment as described in the Proffer, for the life care items contained in the life care plan and illustrated in the chart filed as an attachment (Tab A) to the Proffer, beginning with compensation for Year Two (on the first year anniversary of the date of the judgment) and all subsequent years, paid to the life insurance company from which the annuity will be purchased. To clarify, the annuity will cover all items of compensation set forth in the life care plan and illustrated in the chart attached to the Proffer at Tab A, except those items of compensation for which payment will be made under #1 and #2 above.**

This amount represents compensation for all damages that would be available under § 300aa-15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.³

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

IT IS SO ORDERED.

RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

I. Items of Compensation

A. Life Care Items

Respondent engaged life care planner Linda Curtis, RN, MS, CCM, CNLP, and petitioner engaged Roberta Hurley, B.S., Ed., to provide an estimation of Dawnita Noble's future vaccine-injury related needs. For the purposes of this proffer, the term "vaccine related" is as described in the respondent's Rule 4(c) Report, filed June 28, 2017. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Dawnita Noble, attached hereto as Tab A.¹ Respondent proffers that Dawnita Noble should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

B. Lost Earnings

The parties agree that based upon the evidence of record, Dawnita Noble has suffered past loss of earnings and will suffer a loss of earnings in the future. Therefore, respondent

¹ The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

proffers that Dawnita Noble should be awarded lost earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(A). Respondent proffers that the appropriate award for Dawnita Noble's lost earnings is \$87,982.31. Petitioner agrees.

C. Pain and Suffering

Respondent proffers that Dawnita Noble should be awarded \$190,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

D. Past Unreimbursable Expenses

Petitioner represents that she is not submitting a claim for past unreimbursable expenses.

E. Medicaid Lien

Respondent proffers that Dawnita Noble should be awarded funds to satisfy a SUNFLOWER HEALTH PLAN lien in the amount of \$456.55, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action that the SUNFLOWER HEALTH PLAN may have against any individual as a result of any Medicaid payments the SUNFLOWER HEALTH PLAN has made to or on behalf of Dawnita Noble from the date of her eligibility for benefits through the date of judgment in this case as a result of her vaccine-related injury suffered on or about October 24, 2014, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to Dawnita Noble should be made through a combination of lump sum payments and future annuity payments as described

below, and request that the Chief Special Master's decision and the Court's judgment award the following:²

A. A lump sum payment of \$313,393.96, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$35,411.65); lost earnings (\$87,982.31); and pain and suffering (\$190,000.00), in the form of a check payable to petitioner, Dawnita Noble.

B. A lump sum payment of \$456.55, representing compensation for satisfaction of the SUNFLOWER HEALTH PLAN Medicaid lien, payable jointly to petitioner and

C. An amount sufficient to purchase an annuity contract,³ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company⁴ from

² Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

³ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

⁴ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

which the annuity will be purchased.⁵ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Dawnita Noble, only so long as Dawnita Noble is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as she, Dawnita Noble, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Dawnita Noble's death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

⁵ Petitioner authorizes the disclosure of certain documents filed by the petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System
